

With LEGO® bricks, ... We play, We build, We learn!

STAR OF THE SEA Early Learning Center
LEGO® LAB ENRICHMENT Preschool PROGRAM
(New FALL Session starts September 9th)

(Lego® is a registered trademark of the LEGO® Company and is not directly affiliated with these programs.)

PLEASE NOTE THAT WE CAN ONLY ACCEPT REGISTRATION & PAYMENT ON-LINE at:
www.brick4kidz.com/hawaii

1. Click the big, **RED "Sign Up Now"** button; (please click on **RED PUSH PIN** if it appears)
2. **SELECT Star of the Sea ELC** and choose **class schedule of choice**;
3. Please enter **information requested**, (including birth date, email, parent pick-up info., etc.)

Classes are filled by earliest registration/payment.

ACCEPTING ONLINE REGISTRATION AND PAYMENTS FROM NOW UNTIL August 31, 2011

(Sorry, CLASS SIZES are LIMITED to first 12 students registered / paid per class).

\$120.00 per child, for an 12-Week Session (12 classes):

Includes a 45 minute lab class {Room TBD},

on **FRIDAYS (2:30p - 3:15p) OR (3:30p - 4:15p)**

On Sept. 9, 16, 23, 30, Oct. 7, 14, 21, 28, Nov. 4, 18, Dec. 2 & 9

DESCRIPTION: *(Recommended for ages 3 through 5)*

- This is a hands-on class where students will learn to relate **colors, letters, numbers, patterns and shapes** through songs, games and building with **LEGO® bricks**. (Building new animals, structures, models, and more...).
- While building and exploring, students will continue to develop their fine motor skills and problem solving skills, while stretching their "creative expression" and imagination.
- Promoting basic architecture skills, while providing an opportunity for and fostering an appreciation for how things are built & how they work.
- Classes are taught as in a setting with emphasis also on nurturing their confidence & social skills.
- Students will learn a **new lesson & build a new project each week**.

(Since we use our Lego® supplies in classes throughout the year, students are please reminded not take home Lego® pieces).

Bricks 4 Kidz / for more info (or for birthday party inquiries) please visit www.brick4kidz.com or email: david@brick4kidz.com
